# ENGINEERING DAY 2020

“

The train of achievements of this university has started its journey, and those who joined it have increased its speed. I look forward to witness those anticipating to join us, the ones who aim to develop and evolve, to accomplish and innovate, to enjoy the rewards of success and the better rewards from almighty Allah

”

**The University's President**  
**Dr. Abdulrahman bin Obaid Al-Youbi**

**Crown Prince**

Prince Mohammed bin Salman Al Saud

**The Founder**

King Abdulaziz Al Saud

**King of Saudi Arabia**

King Salman bin Abdulaziz Al Saud

## Our Vision

---

Create opportunities for community development and leadership in scientific and professional enrichment on the local and international scales.

## Our Mission

---

A platform that seeks to empower the community, especially the youth, to support education, development, and progress in academic, professional, and volunteering fields by attracting high-level local and international companies.

# Goals

Enhance the role of companies and entrepreneurs in the community development and the improvement of the non-profit sector.

Encourage the youth and develop their educational and technical skills to meet the Saudi Arabian and international market and also to keep up with the National Transformation Program 2020 and the Saudi Vision of 2030.

Enable students to participate in community development and provide volunteering opportunities for enhancement.

Create a special attractive environment that connects the youth to international and local companies in order to know the available opportunities.

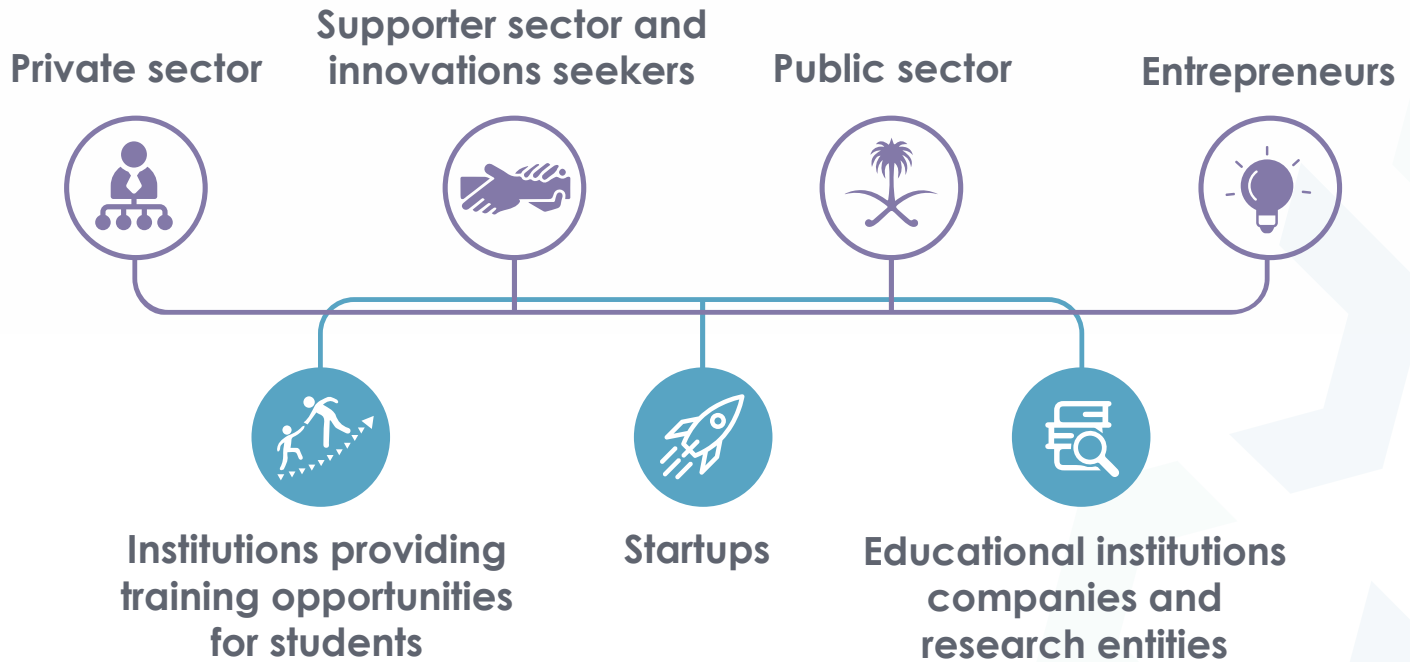

# Engineering Day Activities

# Partners
